

Organised by BEAM Society Limited  
BEAM Plus Interiors (BI) Version 2.0  
Upgrade Training Course for BEAM Pro

## Course Outline

BEAM Society Limited (BSL) has officially launched BEAM Plus Interiors Version 2.0 (BI v2.0) on 28 November 2023.

Embracing the latest government standards and integrating the best project practices, BI v2.0 introduces significant enhancement in Adaptability, Simplification, Certainty and Human-Centricity. It aims to offer more practicable, clear and standardised criteria for evaluating the performance of green interiors, and also expanded its assessment scope to include residential spaces.

Upon the course completion, BEAM Pro will:

- Attain the professional qualification to carry out BEAM Plus Interiors v2.0 projects;
- Be familiar with the performance indicators help integrate different green features into a user-friendly assessment tool.

**BEAM Pro with the credential of Interiors Version 1.0 (BI v1.0) are eligible to register for the course. The BEAM Pro will be accredited as BEAM Pro (BI v2.0) after the course completion.**
