

Invitation to the

3rd Members Luncheon cum Experience Sharing Session

Research on Key Indicators for Zero-Carbon
and Low-Carbon Buildings in the Greater Bay Area
(大湾区零碳低碳建筑关键指标研究)

 **Honourable speaker**
Ir ZHOU Quan 第十四届全国政协委员周荃女士

You are cordially invited to attend the BSL's 3rd Members Luncheon, where we are honoured to have invited member of the National Committee of Chinese People's Political Consultative Conference, Ir ZHOU Quan, as our distinguished speaker.

Ir ZHOU is also the Deputy Chief Engineer of Guangdong Academy of Building Research (广东省建筑科学研究院集团股份有限公司副总工程师), Director of the Energy Efficiency Institute (节能所所长), and Executive Deputy Director of the Guangdong Provincial Urban and Rural Construction Green and Low-Carbon Development Technology Research Center (广东省城乡建设绿色低碳发展技术研究中心常务副主任).

During the luncheon, Ir ZHOU will present key findings from her latest research on the essential indicators for zero-carbon and low-carbon buildings in the Greater Bay Area. Her insights will highlight sustainable building strategies, regional applications, and future opportunities in green development. Join us now and do not miss the chance to connect with other industry professionals.
