Why BEAM Pro (NDC v1.0)?

This course provides in-depth knowledge of **BEAM Plus New Data Centres (NDC)** assessment tool for practitioners who aim at earning the green building professional credential to demonstrate their expertise required for BEAM Plus submission.

Upon completion, you shall be proficient in:

- The framework of BEAM Plus NDC v1.0
- The grading scheme, credits and features of BEAM Plus NDC v1.0

Topics covered:

Sustainable Site
(SS)

Integrated Design
and Construction
Management (IDCM)

Energy Use
(EU)

Materials and
Waste (MW)

Health and
Wellbeing (HWB)

Water Use (WU)

Innovations and
Additions (IA)

You MUST fulfil **one** of the following:

1. A **degree or equivalent** in Built Environment related disciplines; and
2. At least **3 years** postgraduate professional experience; and
3. Qualification as a **full** member of a relevant professional institute (HKIA, HKIE, HKILA, HKIP, HKIS, HKIQEP or equivalent)

OR

1. A **degree or equivalent** in Built Environment related disciplines; and
2. At least **5 years** postgraduate professional experience

OR

1. Age **35 or over**; and
2. At least **10 years** of experience in the design or construction of green buildings; and
3. Applicants must have already attained a managerial position; and
4. Submission of a paper (2,000 - 3,000 words in English / 3,000 - 4,000 in Chinese), to demonstrate your comprehensive knowledge and expertise in green building field and contribution to the green building movement. **(NOTE)**

How to Enrol?

Register for an Online Training Portal Account and **BEAM Pro Fundamental Course** on Online Training Portal (Existing BEAM Pro can skip this step)

New User Guideline for Online Training Portal

Complete the **BEAM Pro Fundamental Course** and proceed with the registration for **BEAM Plus New Data Centres Training and Examination**

Online Training Portal

Submit adequate relevant supporting documents to the BSL:

- ✓ **CV/resume and;**
- ✓ **Certificate(s) of education and;**
- ✓ **Certificate(s) of professional institutes (if applicable)**
- ✓ **Certificate(s) of supporting organisations (if applicable)**

The BSL, upon receipt of the application, shall inform the applicant of the approval status by email within 10 calendar days

Note:

1. Applicants must take the BEAM Plus Training and Examination as a package.
2. Only online registration is accepted.
3. Candidates must complete this course within TWO years after completion of the BEAM Pro Fundamental Course. Or else, candidates will be required to re-register for the up-to-date version of the Fundamental Course.
