## Why BEAM Pro (ES)?

This course provides in-depth knowledge of the **BEAM Plus Existing Schools (ES)** assessment tool for practitioners who aim at earning the green building professional credential to demonstrate their expertise required for BEAM Plus submission.

Upon completion, you shall be proficient in:

- The framework of BEAM Plus ES v1.0
- The grading scheme, credits and features of BEAM Plus ES v1.0

## Topics covered:

Sustainable  
Leadership and  
Learning (SLL)

Health, Comfort  
& Happiness  
(HCH)

Sustainable  
Campus  
Environment (SCE)

Efficient Use of  
Resources (EUR)

Innovations and  
Additions (IA)

You MUST fulfil **one** of the following:

1. A **degree or equivalent** in Built Environment related disciplines; and
2. At least **3 years** postgraduate professional experience; and
3. Qualification as a **full member** of a relevant professional institute (HKIA, HKIE, HKIH, HKILA, HKIP, HKIS, HKIQEP or equivalent, or possessing the type of membership in a professional body recognised by the Property Management Services Authority (PMSA) as acceptable for becoming Tier 1 Property Management Practitioners)

**OR**

1. A **degree or equivalent** in Built Environment, Housing Management, Facilities Management, Engineering, and related disciplines; and
2. At least **5 years** postgraduate experience related to the assessment of green buildings, or equivalent

**OR**

1. Age **35 or over**; and
2. At least **10 years** of experience in the operation and maintenance of green buildings; and
3. Applicants must have already attained a managerial position; and
4. Submission of a paper (2,000 - 3,000 words in English / 3,000 - 4,000 in Chinese), to demonstrate your comprehensive knowledge and expertise in green building field and contribution to the green building movement. (NOTE)

## How to Enrol?

Register for an Online Training Portal Account and **BEAM Pro Fundamental Course** on Online Training Portal (Existing BEAM Pro can skip this step)

**New User Guideline for Online Training Portal**

Complete the **BEAM Pro Fundamental Course** and proceed with the registration for **BEAM Plus Existing Schools Training and Examination**

**Online Training Portal**

Submit adequate relevant supporting documents to the BSL:

- ✓ **CV/resume and;**
- ✓ **Certificate(s) of education and;**
- ✓ **Certificate(s) of professional institutes (if applicable)**
- ✓ **Certificate(s) of supporting organisations (if applicable)**

The BSL, upon receipt of the application, shall inform the applicant of the approval status by email within 10 calendar days

### **Note:**

1. Applicants must take the BEAM Plus Training and Examination as a package.
2. Only online registration is accepted.
3. Candidates must complete this course within TWO years after completion of the BEAM Pro Fundamental Course. Or else, candidates will be required to re-register for the up-to-date version of the Fundamental Course.

Course Code: **ES-2023-0622**

Member of **Supporting Organisations**

Please refer to the Session  
"Supporting Organisations" on Page 9

Fee: **HK\$450**

Course Code: **ES-2023-0622S**

**Others**

Fee: **HK\$500**

Course Code: **ES-2023-0622**

### **Note:**

1. The fee includes the training and first-take examination.
2. The discount is applicable to members only. Any applicant who has not yet become the member of BSL / HKGBC (e.g. membership application pending for review) at the time of application is NOT eligible for the discount and shall pay the original fee in the amount of HK\$500.
3. The fee for training and examination is not refundable.

# Training and Examination Schedule

## Video Training:

All year round

## Examination Date:

16 May 2026 (Sat)

## Examination Venue:

BEC Auditorium

G/F, Jockey Club Environmental Building,  
77 Tat Chee Avenue, Kowloon Tong, Hong Kong

Examination sessions and seats will be allocated on a **first-come-first-served** basis.

Registrants should register for the examination session as outlined in the email received after the enrolment announcement.

### **Note:**

Candidate is allowed to apply for examination reschedule ONCE, if he/she cannot attend the original scheduled date of examination. An administrative fee of HK\$600 will be charged. For details, please refer to BSL's website.

Candidates will receive the provisional examination result immediately after the examination

Candidate who passes the examination will receive the notification from **Hong Kong Green Building Council** on the examination score, details of accreditation and credential maintenance within one month

Candidate who fails the examination could opt for Examination retake within one year from the first examination date

**Note:**

1. Candidates who are absent from the previous examination due to medical reason or personal issue are eligible to retake in the examination subject to the same payment. For details, please refer to BSL's website.
2. An appeal mechanism is applicable for the examination. For details, please refer to BSL's website.
