Additional BEAM Plus Certification Plaque*

NB projects that have completed BEAM Plus Final Assessment (with ratings at Bronze or above) are eligible to display the plaque of the corresponding rating in the project building to denote the BEAM Plus achievement.

Starting from 1 June 2018, HKGBC will provide ONE free certification plaque for each BEAM Plus NB project that has obtained Final Assessment (FA) rating at Bronze or above. The starting date of 1 June 2018 refers to the date when HKGBC sends out the email of project information checking to the Applicant for compiling the FA certificate.

* For more details of the plaques, please go to <https://www.hkgbc.org.hk/eng/beam-plus/promotion/promoquideplaque.jsp>.

Two-stage Provisional Assessment

For NB assessment targeting Bronze or above in the Provisional Assessment, Applicant can apply for two-stage provisional assessment with a fee. For details about the two-stage provisional assessment, please refer to BEAM Plus Procedures Manual.

	Fee payable to BSL
Two-stage Provisional Assessment Fee ⁵	15,000

Note:

1. The Certification Fee consists of Registration Fee and Assessment Fee. Registration Fee is determined by and payable to the HKGBC. Assessment Fee is determined by and payable to BEAM Society Limited. Both organisations reserve the right to adjust the respective fees.
2. The Registration Fee for NB projects is a one-off payment payable to the “Hong Kong Green Building Council Limited”. Payment shall be made within 90 calendar days of the date of Payment Advice, failing which we reserve the right to charge the prevailing Registration Fee at the time of receipt of payment.
3. The Assessment Fee for NB indicated in the above covers both the assessment fee for Provisional Assessment (PA) and Final Assessment (FA).
4. For projects with Construction Floor Area larger than 600,000 sq. m., registration fee under Exceptional Scale / Complexity (ExS) shall apply, while BEAM Society Ltd reserves the right to negotiate the assessment fees for these larger developments to ensure a practical and equitable fee level.
5. If Provisional assessment (PA) has been commenced, it is deemed that the assessment service is consumed and there is no proportional refund of the assessment fee. The Applicant is required to pay the full PA assessment fee for the new round of PA at prevailing fee scale.

Remarks:

- (i) An applicant may apply for a 50% discount on Registration Fee provided that the following three conditions are simultaneously met: (a) the building owner is a charitable organisation which is exempt from tax under Section 88 of the Inland Revenue Ordinance; (b) the building owner does not receive external subsidy from the government or other public sources of fund to cover the expense of that particular project; and (c) the building is not built for generating commercial income. Application form for fee concession can be downloaded at: <https://www.hkgbc.org.hk/eng/beam-plus/beam-plus-references/fee/fee.jsp>

Additional BEAM Plus Certification Plaque (Non-residential Units Only)

Non-residential BI projects that have completed BEAM Plus Final Assessment (with ratings at Bronze or above) are eligible to display the plaque of the corresponding rating in the project premises to denote the BEAM Plus achievement.

HKGBC will provide ONE free certification plaque for each BI projects (excluding Residential Units) that has obtained Final Assessment (FA) rating at Bronze or above. For ordering additional certification plaques, please refer to <https://www.hkgbc.org.hk/eng/beam-plus/promotion/promoquideplaque.jsp>

Notes:

1. The Certification Fee consists of Registration Fee and Assessment Fee. Registration Fee is determined by and payable to the HKGBC. Assessment Fee is determined by and payable to BEAM Society Limited. Both organisations reserve the right to adjust the respective fees.
For Residential unit, BEAM Society Limited shall collect the Registration Fee on behalf of HKGBC.
2. Payment shall be made within 90 calendar days of the date of Payment Advice, failing which the submitted Non-residential premise project and this payment advice are voided automatically without further notice. Registrant is required to carry out the project submission online once again with new payment advice issued by HKGBC.
3. The Assessment Fee for BEAM Plus Interiors (BI) indicated in the above covers only one stage of assessment, that is Final Assessment (FA).
4. Concession will be granted for project which includes typical floors. Prior to the contract signing stage, Applicant should inform BEAM Society Limited (BSL) and provide supporting documents (such as GBP / floor layout plans) to confirm the assessment fee for the project.
5. BSL reserves the right to negotiate assessment fee for more complex developments to ensure a practical and equitable fee level.
6. Only one certificate will be issued for each registered project.
7. BI certificates can be renewed if an Applicant registers and submits its premises for re-assessment. The as-built condition of the premises will then be examined by BEAM Society Limited again to determine the BEAM Plus rating. Applicants are advised to initiate the above process at least 6 months before the expiry of the current certificates so as to ensure there is sufficient time to complete the re-certification process.

Remarks:

- (i) NGO fee concession is NOT applicable to BI V2.0 projects.
- (ii) If the project occupies more than one floor, the total assessment fee is charged per floor. Assessment fee on each floor is dependent on its IFA, i.e. different category assessment fees may apply to different floors.

Notes:

1. The Certification Fee consists of Registration Fee and Assessment Fee, which are determined by and payable to the HKGBC and BEAM Society Limited respectively. Both organisations reserve the right to adjust the respective fees.
2. The Registration Fee for NDC project is a one-off payment payable to the “Hong Kong Green Building Council Limited”. Payment shall be made within 90 calendar days of the date of Payment Advice, failing which we reserve the right to charge the prevailing Registration Fee at the time of receipt of payment.
3. Assessment Fee for NDC indicated in the above covers both the assessment fee for Provisional Assessment (PA) and Final Assessment (FA).
4. The Assessment Fee for EDC indicated in the above covers only one-step of assessment; that is FA. Should applicants require the PA for EDC V1.0 Comprehensive Scheme A projects, the charges will be double of the fee stated in the above. Please contact BEAM Society Ltd. to arrange the Assessment Fee.
5. BEAM Society Ltd reserves the right to negotiate assessment fees for more complex developments to ensure a practical and equitable fee level.

Remarks:

- (i) An applicant may apply for a 50% discount on Registration Fee provided that the following three conditions are simultaneously met (this discount cannot be applied *in conjunction with* the early bird fee / discount stated in the above Fee Table) :
 - a. the building owner is a charitable organisation which is exempt from tax under Section 88 of the Inland Revenue Ordinance;
 - b. the building owner does not receive external subsidy from the government or other public sources of fund to cover the expense of that particular project; and
 - c. the building is not built for generating commercial income. Application form for fee concession can be downloaded at: <https://www.hkgbc.org.hk/eng/beam-plus/beam-plus-references/fee/fee.jsp>
- (ii) HK\$2,000 per certificate will be charged for re-issuing BEAM Plus certificate.

3.10.BEAM Plus for Existing Buildings (EB) Portfolio Mechanism

Assessment Fee for BEAM Plus Existing Buildings Portfolio Mechanism

Portfolio Scale	No. of Building Per Each Portfolio ^{1, 2}	Assessment Fee/ Building/ Assessment Category (HKD)
1	5 - 9 Buildings	8,500
2	10 - 19 Buildings	6,500
3	20 Buildings or above	4,500

Notes:

1. Portfolio is defined as the total number of buildings being assessed by a particular Applicant or her subsidiaries or her sister companies within a single assessment submission. The no. of buildings cannot be accumulated to the next portfolio assessment.
2. The assessment fee is for one single assessment category only (e.g. MAN) and is calculated based on the no. of buildings within a portfolio. For Example: There are 12 buildings within one single portfolio for MAN assessment, the fee would be \$6,500 x 12 = \$78,000.

3.11.BEAM Plus Re-assessment

Fee Scale for Re-assessment

There are two basic fees for re-assessment, please refer to the table below:

Fee Items	Payable to	
	HKGBC	BSL
Assessment Fee	-	Base Charge + Per Credit Subhead Charge
Certificate Replacement Fee	\$2,000 (Note 3)	-

The Fee Scales for different BEAM Plus Assessment Tools are summarized in the tables below:

For NB:

Base Charge (HK\$)		+	Per Credit Subhead Charge (HK\$)
Extra Small (ES)	16,000.00		15,000 per Credit (Note 1)
Small (S)	21,000.00		
Medium (M)	27,000.00		
Large (L)	35,000.00		
Extra Large (EL)	45,000.00		
Mega (MG)	58,000.00		

For EB Comprehensive Scheme:

Base Charge (HK\$)		+	Per Credit Subhead Charge (HK\$)
Extra Small (ES)	10,000.00		5,000 per Credit
Small (S)	13,000.00		
Medium (M)	17,000.00		
Large (L)	22,000.00		
Extra Large (EL)	28,500.00		
Mega (MG)	37,000.00		

For EB Selective Scheme:

Base Charge (HK\$)		+	Per Credit Subhead Charge (HK\$)
Extra Small (ES)	4,000.00		4,000 per Credit
Small (S)	5,200.00		
Medium (M)	6,800.00		
Large (L)	8,800.00		
Extra Large (EL)	11,500.00		
Mega (MG)	15,000.00		

For BI:

Base Charge (HK\$)		+	Per Credit Subhead Charge (HK\$)
Internal Floor Area (sq. m)			4,000 per Credit (Note 2)
<499	5,000.00		
500-999	6,500.00		
>1,000	8,500.00		

For ND:

Base Charge (HK\$)		+	Per Credit Subhead Charge (HK\$)
Total Site Area (sq. m)			5,000 per Credit
<5,000	7,000.00		
5,000-9999	9,000.00		
10,000-14,999	11,500.00		
15,000-19,999	15,000.00		
Site area >20,000	20,000.00		

Note:

1. Each credit subhead will be charged at \$15,000, except for credit item EU 1, which is HK\$4,500 per available credit under EU1.

Example in NB v1.2:

EU 1 Normal Route (15 available credits) :	Base Charge + 15 X \$4,500 = Base Charge + \$67,500
---	--

EU 1 Alternative Route (20 available credits) :	Base Charge + 20 X \$4,500 = Base Charge + \$90,000
--	--

2. The credit subheads for BI will be charged at \$4,000, except for credit item EU 1, which is HK\$2,000 per available credit under EU 1.
3. Certificate Replacement Fee of \$2,000 will be charged by HKGBC, in the case of a different rating achieved in the re-assessment.
4. The calculation of re-assessment fee is capped at the amount of Provisional or Final assessment (PA or FA) fee payable at prevailing fee scale.
5. If assessment has been commenced, it is deemed that the assessment service is consumed and there is no proportional refund of the assessment fee. The Applicant is required to pay the full PA/ FA assessment fee for the new round of assessment at prevailing fee scale.

For EB Portfolio Mechanism:

Base Charge (HK\$)		+	Charge Per Credit Subhead for each Building within a Portfolio (HK\$)
Portfolio Scale 1	500.00		200.00 (Note 1)
Portfolio Scale 2	1,000.00		
Portfolio Scale 3	1,500.00		

Note:

- Each credit subhead will be charged at \$200 for each building in a portfolio, except for credit item MAN 6a and EU 3b of BEAM Plus Existing Buildings (EB) V2.0 (Selective Scheme) which is HK\$100 per available credit under MAN 6a and EU 3b.

Example in EB Selective Scheme 2.0

Portfolio size: 12 buildings

MAN 6a	Base Charge + (12 buildings x \$100 x 7 credits)
(7 available credits)	= \$1,000 + \$8,400
	= \$9,400
