## Why BEAM Pro (BI v2.0)?

This course provides in-depth knowledge of BEAM Plus Interiors (BI) assessment tool for practitioners who aim at earning the green building professional credential to demonstrate their expertise required for BEAM Plus submission.

Upon course completion, you shall be proficient in:

- The framework of BEAM Plus BI v2.0
- The grading scheme, credits and features of BEAM Plus BI v2.0

The trainers of the BEAM Pro Training are invited from the Green Building Faculty, which consists of a group of experts and professionals that supports the initiatives of green buildings and sustainable environments in Hong Kong.
