## Why BEAM Pro (EDC)?

This course provides in-depth knowledge of BEAM Plus Existing Data Centres (EDC) assessment tool for practitioners who aim at earning the green building professional credential to demonstrate their expertise required for BEAM Plus submission.

Upon completion, you shall be proficient in:

- The framework of BEAM Plus EDC v1.0
- The grading scheme, credits and features of BEAM Plus EDC v1.0

The trainers of the BEAM Pro Training are invited from the Green Building Faculty, which consists of a group of experts and professionals that supports the initiatives of green buildings and sustainable environments in Hong Kong.

## Topics covered:

Sustainable Site  
(SS)

Integrated Design  
and Construction  
Management (IDCM)

Energy Use  
(EU)

Materials and  
Waste (MW)

Health and  
Wellbeing (HWB)

Management  
(MAN)

Water Use  
(WU)

Innovations and  
Additions (IA)

## Who Can Enrol?

You MUST fulfil **one** of the following:

1. A **degree or equivalent** in Built Environment related disciplines; and
2. At least **3 years** postgraduate professional experience; and
3. Qualification as a **full** member of a relevant professional institute (HKIA, HKIE, HKIH, HKILA, HKIP, HKIS or equivalent, or possessing the type of membership in a professional body recognised by the Property Management Services Authority (PMSA) as acceptable for becoming Tier 1 Property Management Practitioners)

OR

1. A **degree or equivalent** in Built Environment, Housing Management, Facilities Management, Engineering, and related disciplines; and
2. At least **5 years** postgraduate experience related to the assessment of green buildings, or equivalent

OR

1. Age **35 or over**; and
2. At least **10 years** of experience in the operation and maintenance of green buildings; and
3. Applicants must have already attained a managerial position; and
4. Submission of a paper of **2,000 words**, on a relevant topic illustrating the applicants' expertise and experience in the green building field, as well as contribution to the green building movement. (For example: based on a property management case, or other original case created by the applicant)

## How to Enrol?

Register for an Online Training Portal Account and **BEAM Pro Fundamental Course** on Online Training Portal  
(Existing BEAM Pro can skip this step)

**Tutorial**

Complete the **BEAM Pro Fundamental Course** and proceed with the registration for **BEAM Plus Existing Data Centres Training and Examination**

**Online Training Portal**
