Why BEAM Pro (NB v2.0)?

This course provides in-depth knowledge of BEAM Plus New Buildings (NB) assessment tool for practitioners who aim at earning the green building professional credential and demonstrate their expertise required for BEAM Plus submission.

Upon course completion, you shall be proficient in:

- The framework of BEAM Plus NB v2.0
- The grading scheme, credits and features of BEAM Plus NB v2.0

The trainers of the BEAM Pro Training are invited from the Green Building Faculty, which consists of a group of experts and professionals that supports the initiatives of green buildings and sustainable environments in Hong Kong.

Topics covered:

Sustainable Site (SS)

Integrated Design and Construction Management (IDCM)

Materials and Waste (MW)

Energy Use (EU)

Health and Wellbeing (HWB)

Water Use (WU)

Innovations and Additions (IA) & Wrap up of Mock Exam

Who Can Enrol?

You MUST fulfil **one** of the following:

1. A **degree or equivalent** in Built Environment related disciplines; and
2. At least **3 years** postgraduate professional experience; and
