Why BEAM Pro (ES)?

This course provides in-depth knowledge of the **BEAM Plus Existing Schools (ES)** assessment tool for practitioners who aim at earning the green building professional credential to demonstrate their expertise required for BEAM Plus submission.

Upon completion, you shall be proficient in:

- The framework of BEAM Plus ES v1.0
- The grading scheme, credits and features of BEAM Plus ES v1.0

Topics covered:

Sustainable
Leadership and
Learning (SLL)

Health, Comfort
& Happiness
(HCH)

Sustainable
Campus
Environment (SCE)

Efficient Use of
Resources (EUR)

Innovations and
Additions (IA)

Who Can Enrol?

You MUST fulfil **one** of the following:

1. A **degree or equivalent** in Built Environment related disciplines; and
2. At least **3 years** postgraduate professional experience; and
3. Qualification as a **full member** of a relevant professional institute (HKIA, HKIE, HKIH, HKILA, HKIP, HKIS, HKIQEP or equivalent, or possessing the type of membership in a professional body recognised by the Property Management Services Authority (PMSA) as acceptable for becoming Tier 1 Property Management Practitioners)

OR

1. A **degree or equivalent** in Built Environment, Housing Management, Facilities Management, Engineering, and related disciplines; and
2. At least **5 years** postgraduate experience related to the assessment of green buildings, or equivalent

OR

1. Age **35 or over**; and
2. At least **10 years** of experience in the operation and maintenance of green buildings; and
3. Applicants must have already attained a managerial position; and
4. Submission of a paper (2,000 - 3,000 words in English / 3,000 - 4,000 in Chinese), to demonstrate your comprehensive knowledge and expertise in green building field and contribution to the green building movement. (NOTE)

How to Enrol?

Register for an Online Training Portal Account and **BEAM Pro Fundamental Course** on Online Training Portal
(Existing BEAM Pro can skip this step)

**New User Guideline
for Online Training
Portal**

Complete the **BEAM Pro Fundamental Course** and proceed with the registration for **BEAM Plus Existing Schools Training and Examination**

Online Training Portal

Training and Examination Schedule

Video Training:

All year round

Examination Date:

24 October 2026 (Sat)

Examination Venue:

BEC Auditorium

G/F, Jockey Club Environmental Building,
77 Tat Chee Avenue, Kowloon Tong, Hong Kong

Examination sessions and seats will be allocated on a **first-come-first-served** basis.

Registrants should register for the examination session as outlined in the email received after the enrolment announcement.

Note:

Candidate is allowed to apply for examination reschedule **ONCE**, if he/she cannot attend the original scheduled date of examination. An administrative fee of HK\$600 will be charged. For details, please refer to BSL's website.

Post-examination

Candidates will receive the provisional examination result immediately after the examination

Candidate who passes the examination will receive the notification from **Hong Kong Green Building Council** on the examination score, details of accreditation and credential maintenance within one month

Candidate who fails the examination could opt for Examination retake within one year from the first examination date

Note:

1. Candidates who are absent from the previous examination due to medical reason or personal issue are eligible to retake in the examination subject to the same payment. For details, please refer to BSL's website.
2. An appeal mechanism is applicable for the examination. For details, please refer to BSL's website.
