What is BEAM Affiliate?

A **BEAM Affiliate** is a person accredited by the **Hong Kong Green Building Council Limited (HKGBC)** as being competent to support green building design, construction and operations. The BEAM Affiliate Training and Examination, organised by **BEAM Society Limited (BSL)**, aims at equipping participants with knowledge in green building in the areas of design, construction, operation, maintenance, as well as the BEAM Plus rating tool.

Practitioners working in construction or real estate (including planning, design, construction, testing & commissioning, operations, maintenance, facility management, product supplies or interior design), BEAM Plus–related sectors (e.g., Existing Schools, F&B, Data Centres), or roles involving sustainability / Environmental, Social, and Governance (ESG) responsibilities — are welcome. Recent graduates and persons pursuing professional qualification are also encouraged to apply.

Why BEAM Affiliate?

- **Prospect**

The BEAM Affiliate credential offers a diverse career opportunity, so you can pave the way for working in government departments, developers, consultancies, facility management companies, suppliers and so on. The credential enables participants to achieve successful career growth in the future.

- **Recognition**

BEAM Affiliate credential serves as an unbiased endorsement of green building knowledge.

- **Knowledge**

You can enhance your understanding of green buildings after the training and gain a competitive edge in the job market.
