	HKGBC	BSL
Assessment Fee	-	Base Charge (Note 1) + \$9,000 per credit (Note 2)
Certificate Replacement Fee	\$2,000 (Note 3)

- The Base Charge is calculated based on a flat rate of \$50,000 or 30% of the Provisional / Final assessment fee paid, whichever is higher.
- All credits will be charged at \$9,000 per credit, except for credit item EU 1, which is HK\$4,500 per available credit under EU1.

Example in NB v1.2:

EU 1 Normal Route Base Charge + **15 X \$4,500**
 (15 available credits) : = Base Charge + **\$67,500**

 (20 available credits) : = Base Charge + **\$90,000**

- Certificate Replacement Fee of \$2,000 will be charged by HKGBC, in the case of a different rating achieved in the re-assessment.
- If assessment has been commenced, it is deemed that the assessment service is consumed and there is no proportional refund of the assessment fee. The Applicant is required to pay the full PA/ FA assessment fee for the new round of assessment at prevailing fee scale.

Effective from 1 May 2018 onwards, Applicants should note the following:

- The calculation of re-assessment fee is capped at the amount of Provisional or Final assessment fee payable at prevailing fee scale.
