

BEAM Plus Interiors (BI) Training and Examination

What is BEAM Professional (BEAM Pro)?

BEAM Professionals (BEAM Pro) are accredited by the Hong Kong Green Building Council (HKGBC) to promote the principles of green building and to facilitate the green building certification process. They are green building professionals trained in various aspects of the entire green building life cycle. The key role of BEAM Pro is to integrate the latest green building standards and practices into everyday building planning, design, construction and operation.

About BEAM Pro Training and Examination

The BEAM Pro Training and Examination is organised by BEAM Society Limited (BSL). Green building practitioners aiming at gaining the BEAM Pro accreditation **are required to complete the online Fundamental Course** on **BSL's Online Training Portal** as a prerequisite before opting into any of the elective courses below:

- BEAM Plus New Buildings (NB)
- BEAM Plus Existing Buildings (EB)
- BEAM Plus Interiors (BI)
- BEAM Plus Neighbourhood (ND)

After completing the training, candidates are required to take and pass the examination to gain the credential.

About BEAM Plus Interiors (BI) Training (BI-2018-0524 / BI-2018-0524S)

This course provides in-depth knowledge of BEAM Plus Interiors (BI) assessment tool for practitioners (architects, engineers, building designers, interior designers and construction practitioners) who aim at earning the credential to demonstrate their expertise. Upon course completion, you shall be proficient in:
