

BEAM Plus Existing Buildings (EB) Training and Examination

What is BEAM Professional (BEAM Pro)?

BEAM Professionals (BEAM Pro) are accredited by the Hong Kong Green Building Council (HKGBC) to promote the principles of green building and to facilitate the green building certification process. They are green building professionals trained in various aspects of the entire green building life cycle. The key role of BEAM Pro is to integrate the latest green building standards and practices into everyday building planning, design, construction and operation.

About BEAM Pro Training and Examination

The BEAM Pro Training and Examination is organised by BEAM Society Limited (BSL). Green building practitioners aiming at gaining the BEAM Pro accreditation **are required to complete the online Fundamental Course** on **BSL's Online Training Portal** as a prerequisite before opting into any elective courses as below:

- BEAM Plus New Buildings (NB)
- BEAM Plus Interiors (BI)
- BEAM Plus Existing Buildings (EB)
- BEAM Plus Neighbourhood (ND)

After completing the training, candidates are required to take and pass the examination to gain the credential.

About BEAM Plus Existing Buildings (EB) Training (EB-2017-0904 / EB-2017-0904S)

This course provides in-depth knowledge of the BEAM Plus Existing Buildings (EB) assessment tool for practitioners who aim at earning the credential to demonstrate expertise. Upon course completion, you shall be proficient in:

- The framework of BEAM Plus EB v2.0
- The In-depth knowledge i.e. grading scheme, credits and features of BEAM Plus EB v2.0

Form of Training: Video Course

Language of Instruction: English

Sessions:

Introduction	Management (MAN)	Site Aspects (SA)	Materials and Waste Aspects (MWA)
Energy Use (EU)	Water Use (WU)	Indoor Environmental Quality (IEQ)	Innovations and Additions (IA)

Minimum Qualification Requirements

To enrol in the Training and Examination, you must fulfill one of the following:

A degree or equivalent in Built Environment related disciplines; and At least 3 years postgraduate professional experience; and Qualification as a full member of a relevant professional institute (HKIA, HKIE, HKIH, HKILA, HKIP, HKIS or equivalent)	OR
A degree or equivalent in Built Environment, Housing Management, Facilities Management, Engineering, and related disciplines; and At least 5 years postgraduate experience related to the assessment of green buildings or equivalent.	OR
BEAM Affiliate accredited from 2014-2016 who has fulfilled the prescribed entry requirement as follows: a) Maintenance of BEAM Affiliate qualification for three consecutive years; and b) Experience and knowledge by proving involvement in BEAM/BEAM Plus project under which the applicable rating tool is used.	

Training and Examination Fee

To register, please complete the online registration form along with a cheque, relevant supporting documents, i.e. certificates and CV and submit them to BSL before the deadline. Applicants must take the **BEAM Plus (EB) Training and Examination** as a package. Seating capacity is limited on a first-come-first-served basis. The fee for training and examination is not refundable. Only **Online Registration** is accepted.
