# BEAM Affiliate Training and Examination Programme

Co-organiser:

## Introduction

**A BEAM Affiliate** is a person accredited by the Hong Kong Green Building Council Limited (HKGBC) as being competent to support green building design, construction and operations. The BEAM Affiliate Training and Examination, organised by BEAM Society Limited (BSL), aim at equipping participants with knowledge in green building in the areas of design, construction, operation and maintenance, as well as the BEAM Plus rating tool.

The programme welcomes **practitioners or technical staff working in the construction/real estate industry, interior design practitioners, or recent degree graduates** who are in the process of working towards a professional qualification. The credential also provides an individual who cannot yet meet the BEAM Pro requirement with **an alternative route to becoming a BEAM Pro**.

## Training Programme

The training includes BEAM Plus New, Existing Buildings & Interiors rating tools associated with major components, namely *Introduction to BEAM Plus Framework and Innovations (IA)*, *Site Aspects (SA)*, *Materials Aspects (MA)*, *Energy Use (EU)*, *Water Use (WU)* and *Indoor Environmental Quality (IEQ)*. Trainers are invited from the Green Building Faculty, which consists of a group of experts and professionals that supports the initiatives of green building and sustainable environment in Hong Kong.

The **6<sup>th</sup> BEAM Affiliate Training and Examination** is now open for registration on a first-come-first-served basis.

**3 November 2016 (Thursday) | 9:15am – 1:00pm | Teaching Medium: Cantonese, supplemented with English
