

Organised by BEAM Society Limited (BSL)

## iBEAM Xperience Studio

BEAM Society Limited (BSL) has procured an Assessment Automation System ("iBEAM") in March 2020 to automate our assessment process. Riding on the success of rounds of Stakeholder Engagement Workshops, we would like to gather more industry feedback to further strengthen the coherence of the iBEAM system. You are cordially invited to participate in the upcoming iBEAM Xperience Studio to gain the first-hand experience of this state-of-the-art assessment system. **The iBEAM Xperience Studio will tentatively be held across late December 2020 till late January 2021.**

iBEAM aims at automating the current assessment process and other business related processes. With iBEAM, BEAM Practitioners can expect a major enhancement to the BEAM Plus assessment process, including efficiency in preparing for the assessment, consistency in vetting assessment and reliability in accessing information pertaining to the BEAM Plus assessment. Moreover, iBEAM will also provide a knowledge database to enable BEAM practitioners in understanding the latest ruling and trends to the BEAM Plus assessment.

As a participant of the iBEAM Xperience Studio, you will be granted exclusive access to the iBEAM user interface. You may navigate the iBEAM user interface thoroughly at your convenience during the iBEAM Xperience Studio. **Spaces are limited, so sign up today to gain the firsthand experience of iBEAM.**

**As a token of appreciation, you will be entitled to:**

**Be one of the first to experience the system**

**Comment on and make changes to the system**

**8 CPD hours (for BEAM Practitioners)**

**BSL exclusive souvenir**

**Acknowledgement on iBEAM web page**
